Blues submissions requested! Guest writers always welcome!!

I started a quest to find terrific blues music and incredible musicianship when I was just a little kid. I also have a tremendous appreciation of fine musical instruments and equipment. One of my greatest joys all of my life was sharing my finds with my friends. I'm now publishing my journey. I hope that you come along!

## PEACH, Blues All-Stars Valley-Bound, Play Maui Sugar Mill Saloon Nov.18

### PEACH & Her Blues All-Stars Performing At Maui Sugar Mill Saloon Monday, November 18

(Tarzana, CA) – One of the Southland's top female-fronted blues bands brings their talents to San Fernando Valley music lovers as guitarist-vocalist PEACH and the Blues All-Stars perform for a SCBS (Southern California Blues Society)-sponsored event at [Maui Sugar Mill Saloon](#), 18389 Ventura Blvd., Tarzana, Monday, November 18. 8–9 p.m. No cover but \$10–\$15. suggested donation. Info: (818) 344-0034 or <https://www.facebook.com/pages/Maui-Sugar-Mill-Saloon/165271353486901?ref=ts>.

PEACH – who is also in concert at HOB/Sunset Sunday, December 8 and Sunday, January 12 – is coming off a stellar performance at the recent Real Blues Festival of Orange County 4, where one reviewer wrote, "Peach's musical spontaneity provided memorable moments."

PEACH is at the forefront of female-fronted blues acts performing both modern and old-time blues, with an All-Star band of musicians featuring keyboardist Ken Stange (Joe Cocker); guitarist Josh Sklair (Etta James); bassist Del Atkins (Pointer Sisters); and legendary drummer James Gadson (B.B. King, Bill Withers, Paul McCartney). PEACH has recorded with Taj Mahal, Marty Grebb (The Buckingham's), Reggie McBride (Elton John), Joey Delgado (Delgado Brothers), Garth Hudson (The Band) and Paul Barrere (Little Feat). She has co-written with Keb' Mo' and Marty Grebb but diversifies with an occasional 'Dylanesque' treat. She is a past Los Angeles Music Awards, Rockwired Radio Awards, All Access Magazine Music Awards, and South Bay Music Awards recipient.

Check out this soulful, seductive live recording of "It Meant Nothin'," a song PEACH co-wrote with well-known SoCal bluesman, Keb' Mo' – and which has almost 220,00 views since it posted on YouTube this past June.
